

PATRICK JAYSON M. AGLOSOLOS

09273161545 | jayson123aglosolos@gmail.com | Abucay, Bataan |  PatrickJaysonMAglosolos - Overview

ABOUT ME

Computer Engineering student with a strong background in tech support, mechatronics, and CAD operations. Gained solid field experience through 320+ hours of OJT and currently competing at the National level in the Worldskills Philippines Mechanical Engineering CAD competition, having won Gold at both the Provincial and Regional levels in 2026. I focus on practical troubleshooting and building clean, functional systems.

AWARDS

- Worldskills Bataan Provincial Skills Competition 2026 — *Mechanical Engineering CAD* — *Gold Medalist*
- Worldskills Central Luzon Regional Skills Competition 2026 — *Mechanical Engineering CAD* — *Gold Medalist*
- Worldskills Philippine National Skill Competition 2026 — *Mechanical Engineering CAD* — *Ongoing*

SKILLS

- Programming Languages: Python, C#, C++, Java
- Software Tools & Frameworks: Git, VSCode
- CAD Software: AutoCAD, Inventor
- Core Competencies: Computer System Servicing, Mechatronics, Internet of Things (IoT)

CERTIFICATIONS

- TESDA NCII — Computer System Servicing (CSS) — 2024
- TESDA NCII — Mechatronics Servicing — 2026
- Cisco Networking Academy — Introduction to Internet of Things (IoT) — 2026
- Cisco Networking Academy — C++ Essentials 1 — 2026
- Cisco Networking Academy — Networking Basics — 2026
- Cisco Networking Academy — Introduction to Cybersecurity — 2026
- TESDA NCII — Electronic Product Assembly and Servicing (EPAS) — 2026

EDUCATION

Bachelor of Science in Computer Engineering

Eastwoods Professional College of Science and Technology | 2024 – Present

WORK EXPERIENCE

Abucay Police Station | Technical Support (OJT) *March 2024 — 80hrs*

Resolved hardware, software, and network issues with efficient troubleshooting and customer-focused solutions.

Samal Municipal Office | CAD Operator (OJT) *July 2025 – September 2025 — 240hrs*

Used Autodesk AutoCAD to create, modify, and review technical drawings and plans for engineering, architecture, and manufacturing projects.
